# MANEAUX

## BIOGRAPHY

Maneaux is a Producer and DJ from Rotterdam, The Netherlands. He specializes in making music that encapsulates some of the best modern combination of sounds. From the impact of pop-rock to the rhythm of hip-hop and the power of EDM, anything goes. As someone who has been producing since the young age of 9, this artist has been fully dedicated to following his passion and dreams. For this reason, Maneaux's music has a timeless quality to it, while also capturing all the innovation and momentum that listeners would expect from some of the artists on the top of the charts today.

In 2020 his career took of after a successful hit that landed on the number 5 position on the dutch charts, giving him his first dutch platinum record and his first FunX Award (biggest award in dutch urban music).

Ultimately, what makes this artist so special is that he is always motivated to think outside the box and share some fresh energy with his fans. Being open-minded is the best thing a producer could be!
